Bachelor of Computer Applications 2021-2024
Shri D.N. Institute of Computer Application

Master of Computer Applications 2024-Present
*Institute of Science and Technology for
Advanced Studies and Research*

Projects

Jewelry Web Application (Website) 2024

Technologies: .NET, Visual Studio 2010
(Frontend), SQL Database 2008 (Backend)

Developed a fully functional jewelry website with a user-friendly interface using .NET for the frontend and SQL database for backend management. The project involved product catalog management, secure transactions, and customer account features.
